

**Presents its Annual Advocacy Training Series  
featuring renowned specialists via Webinar**

*Like the Unique Colors of a Pencil  
Each Child Learns in their own unique way*

Special Education during the time of Covid has been especially difficult to navigate. SpEd CT is proud to announce that our annual advocacy training with presentations by renowned specialists will take place through a webinar series. Please join us as we work together to ensure the provision of special education in such an unprecedented time.

**Cost: \$25 per class or only \$225 for the whole series**
