

CPAC Presents Transition Tuesday

**June 13, 2023
Time: 7:00 PM**

Topic: Unexpected Journey of Obtaining a Driver's License

Description: This webinar will go over one out of many experiences individuals may face on this road. Andrew Arboe, an autistic adult and self-advocate will go over his driving journey and his executive functioning and sensory challenges. His story relates the needs of select needs of teens and young adults as they contemplate becoming a licensed driver. Andrew will also focus on strategies he uses for driving and how driving has opened his world to new heights in the past almost five years and starting a online program for a year due to driving.
