

Understanding Dyslexia

S.E.L.F. Webinar Series

FREE Registration
via Eventbrite

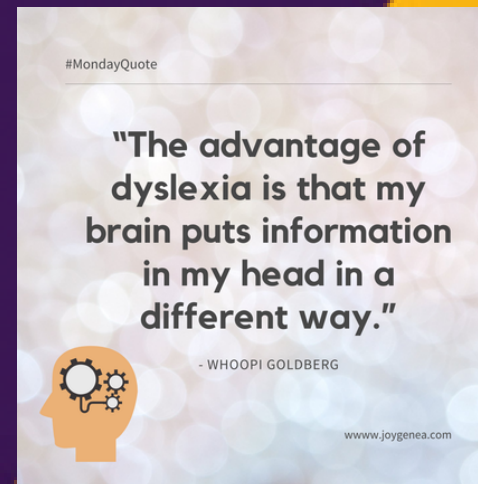

Wednesday, October 7
7 - 8 PM

Dir. of Innovation
Lab Elizabeth
Mendelsohn
Winston Prep

Dir. of Research &
Instruction Christy
Brockhausen
Eagle Hill School

Notice your child is struggling but not sure why? Is the school telling you things are fine, but you know they aren't?

Dyslexia is the most common learning disability, yet it's frequently missed or misidentified, especially in the early school years. Join our expert panel as they walk through what dyslexia really is, the signs to watch for at every age, and what to ask your school for if you suspect something more is going on.

SLP & Literacy
Specialist Dr. Tara
Pagliaro

S.E.L.F. Staff
Attorney Laura
Sullivan

Sponsored by:
